HOME IMPROVEMENT REQUEST

In order to protect each individual homeowner's property value and privacy, it is required for any homeowner or group of homeowners planning improvements or changes to their deeded property (properties), besides landscaping, to submit a **HOME IMPROVEMENT REQUEST**. This request is reviewed by the Architectural Control Committee to ensure compliance with deed restrictions, local statutes, and to protect neighboring homeowners. If any change is made that has not been approved, the Committee has the right to ask the homeowner to remove the improvement and/or change from the property.
